Hayakawa Signed Up For "Tokyo Joe" Role

LOS ANGELES — Sessue Hayakawa, 59-year-old Tokyo-born silent film star, is expected to arrive in Southern California from Paris by plane before January 1 for the coming production of "Tokyo Joe," Hollywood sources indicated recently.

However, no confirmation was available from Columbia Studios or Stuart Heisler, director of the cinema, which is to star Humphrey Bogart.

Several Nisei male characters have been unofficially chosen in the "Joe" film, among them is Tets Komai, a veteran silent screen idol.

Hayakawa, whose retirement has been spent in a cozy cottage of the backwoods of Paris, France, will take a "heavy role" after a brief screen test had proven he could still speak English well.

Hayakawa specialized in playing villains in the hey-days of his career.

Many Attend Manitoba JCCA's Christmas Dance

WINNIPEG — The annual banquet and dance sponsored by the Manitoba JCCA at the Marlborough on Dec. 27 was one of the most successful ever held, in the opinion of all those present.

The top annual function of local Nisei society was marked by the attendance of a large number of the younger set who were decked up in evening gowns and corsages.

The supper commenced at 7 p.m. with an opening address by president Harold Hirose.

Among the guests seen at the head table were Mr. and Mrs. Charles Scamblet, Mr. and Mrs. Saul Cherniack, and Miss Yoshio Hikida.

Following the supper, solos were rendered by Mickey Hayashi and Tak Hirose. The sing song was led by Mr. Hayashi.

The banquet and dance was a great success socially, and fared well financially as well.

Souvenir photos taken by Mr. Kawaguchi may be secured at the Pat's Photo Studio.

UBC Extension Dept. to Publish Booklet on Japanese Canadian

What will happen when the federal restrictions, which now prevent the return of Japanese Canadians, are lifted on March 31? How many of the evacuees are likely to return to the coast? What will public reaction be to the return? What was the outcome of a parallel situation faced earlier in the United States? The answers to these questions will be sought in a "prophetic research" project now being undertaken by the University of B.C. branch of the United Nations Association.

The research is being conducted by a group of university students, most of whom are majoring in the social sciences. Assisting the project are Dr. Norman F. Black, Professor H. F. Angus, Dr. Harry Hawthorn (professor of anthropology at U.B.C.), T. G. Norris, K.C., and local branches of the Canadian Civil Liberties Union and the United Nations Association.

The findings of the group will be published early this year in booklet form by the Extension Department of U.B.C. Planned for inclusion in this booklet are facts concerning the Japanese Canadian citizenship and the relocation program.

The purpose of the project is to "nip in the bud" any outbursts of intolerance which may be stirred up by race-haters on the coast.

Chairman of the research group, Eric Broderick, has explained the project as follows in a letter to The New Canadian:

"We are employing three lines of research. One group of students is studying the American experience, on the theory that it may in parts be comparable to the Canadian Japanese relocation situation; another group is seeking to appraise public opinion on the coast, particularly in the fishing industry; the third group is studying the Canadian relocation program and is attempting to find some indications of the extent to which citizens of Japanese origin will eventually return to the coastal area."

Mr. Broderick states that the public attitude towards Japanese on the coast has "mellowed" somewhat during the past few years.

"An important turning point of public opinion," he says, "seems to have been the provincial government's action in rescinding an order which would prevent Japanese Canadians logging on crown lands after protests from many quarters, including The Canadian Manufacturers' Association and The Vancouver Sun.

"There are other positive signs. The legislative committee of the Vancouver City Council has advocated enfranchisement for Chinese, Japanese and native Indians.

"But there is nevertheless a dormant prejudice, which could be whipped up if no positive action is forthcoming from the forces of tolerance. A recent column in The Vancouver Sun by Jack Scott, criticising restrictions on the Japanese, drew several crusty replies from race-haters. There are many other indications of lingering prejudice, particularly among fishermen."

The research group is also seeking the co-operation of the Japanese Canadian Citizens' Association.

ABOUT TOWN

By K.D.

Toronto was a pretty giddy place over the holidays. Christmas and New Year falling on Saturdays, it gave a lot of opportunity for celebrations. We're willing to bet many Niseis will have a very tough time recovering from the big year-end, both physically and financially.

The big Christmas dance sponsored by the Nisei Fellowship was a big success. The crowd was somewhat smaller than the previous year, and if you ask us, they were a little too well-behaved. We couldn't help thinking why the f... can't you let yourself go more?

We figured over 90 percent of the girls came in evening gowns, but there weren't as many strapless styles as was predicted by advance gossip. There were striking ones nevertheless. We'll leave it to the girls to discuss who had how much on and of what. It gives them so much pleasure.

We noticed Ted Hayashi and Tom Nobuoka busy with their flash cameras. They had the finished pictures by the time the dance ended.

This column is being written on the New Year's eve but we can imagine what the next few days will be like.

There are numerous house parties being held tonight and of course there will be a lot of refreshments served. A group of Niseis are holding a party at Playter's hall on Danforth and Broadview, but it is gossiped that that is only the jumping off point for a series of parties to follow. The Playter's hall affair incidentally is by invitation. It seems pretty difficult to get a hall on New Year's eve large enough to accommodate all the Toronto ... out to celebrate.

Capacity Crowd Gathers at Vernon Hall to Enjoy Christmas Concert

VERNON, B.C. — A capacity crowd enjoyed ... bang-up Christmas concert presented by the JCCA on Dec. 26 at the South Vernon Nisei Hall.

The best of local talent was presented in a program which included vocal and instrumental solos, tap dancing, comedy skits, novelty numbers, and odoris.

The highlight of the evening was a ... presented under the direction of Kozo Kitagawa.

Characters in the play were ably portrayed by Y. Hamagawa, Pearl Kawamoto, George Nishihata, Ted Terada and Toshiro Yakura. The hilarious story had the audience continuously roaring with laughter.

Santa Claus was on hand to pass out presents and candies to the younger children. Draws were held for prizes.

Ted Terada was the capable master of ceremonies. The JCCA wishes to thank Mr. K. Kitagawa for his valuable help, Ed. Nakamura for loaning and operating the P.A. system, and to all others who helped to make the concert a success.

Mayor T. Adams has been asked to be guest speaker at the second annual banquet of the Vernon JCCA scheduled for Jan. 8 at the Lotus Gardens.

There will be an election of the 1949 officers following the banquet, and the evening will be rounded up by dancing. —F.S.

Predictions for 1949

We thought we had a bright idea before Christmas. We were considering going out on a limb with a series of predictions for the new year. The idea didn't work out in time for the Christmas issue, and now as we go over the list we had in mind, the predictions do not appear as daring or as spectacular as we hoped they might be. In fact it would surprise us greatly if all of the predictions did not come true.

Here are some of the predictions:

We predict that there will be a very slow trickle back to the coastal areas of British Columbia (mostly from the interior of the province) when travel restrictions are lifted on April 1, and that the number of returnees will be considerably under the 1000 mark at the end of the year.

We predict that it will not be easy for the returnees to get commercial fishing licenses with the exception of a few Nisei veterans who have been waiting for a long time.

We predict that there will be more Nisei marriages generally, and more Nisei intermarriages in eastern Canada than in previous years.

We predict that the trend toward the concentration of the Japanese Canadian population into larger cities from rural communities will continue throughout 1949, and that there will be a corresponding increase in Japanese community activities.

We predict that there will be some modification in the set-up of the JCCA, which will leave more initiative and responsibilities in the hands of provincial chapters.

We predict that there will be more concern in eastern Canada over the increase in tuberculosis rates, and its possible influence on life insurance rates. (In some cases, life insurance rates for Orientals are higher than for Occidentals, based on a statistical finding that Orientals have a somewhat shorter life expectancy than the rest of the population.)

We predict that business activity will continue at a high level throughout the year, and that there will be a substantial increase in the number of Issei and Nisei business enterprises.

We predict that the United States Congress will pass the Judd bill, thus making it theoretically possible for a few Japanese Canadians to imigrate to the United States each year.

Training New Leaders

The need of good leaders is a problem which must be met continuously by any organization if it is to remain a going concern. The numerous Japanese Canadian organizations are no exception.

Too often, responsibilities are piled on a few persons who eventually come to feel they've had enough, or who find it necessary to retire from active participation in the organization. Unless, at this point, there are others ready to take over the leadership or at least share some of the work previously done by the retiring leader, the organization suffers.

This is the situation that has recurred again and again, and it would seem that some sort of effort should be directed by the organization toward the training of new leaders instead of leaving everything to chance and a hope that someone will take over.

Training new leaders among the younger Niseis helps the organization, but it usually benefits the Niseis so trained even more. Self-confidence and the ability to take on responsibilities are qualities which may well have a direct influence on the success of their subsequent careers.

We think it's a good idea to put down leadership training as one of the projects of Japanese Canadian organizations across the country.

DEBRIS

By Toyo Takata

Before we file 1948 into the musty archives of time, let's scan the highlights. That fighting Missouri haberdasher with the homespun smile, Harry Truman, despite Col. McCormick and the editors of Life, won an underdog's election battle, and Gallup and other pollsters became the best ideas for radio gags since Bing Crosby's horses.

"Shmoo" "vydeo" and "hitbit" were appended to the current vernacular. The Toni wave, a bizarre ditty called "Nature Boy" and the Kinsey Report were the rage. Mr. Petrillo blocked the platter industry and revivals and senseless novelty numbers cluttered up the Hit Parade. Hollywood got an overdose of bad publicity as big names were embroiled in marihuana, drunkenness, and nonsupport of a mother.

On the more serious vein, Ghandi, Count Bernadotte, and Jorge Gaitan, the Columbian Liberal leader fell to assassins. Babe Ruth took the third strike. The cold war continued in Europe as fighting raged in China Indonesia and Palestine. The bright light was the birth of an heir to the British throne.

In Canada, the rampaging Fraser inundated its fertile valley. Mr. St. Laurent succeeded Mr. King as Prime Minister and Newfoundland became the tenth province. Barbara Ann Scott was the best thing that ever happened to Canada since the building of the CPR. And who will ever forget the Calgary Stampeders?

In the Nisei circle, they continued to receive more than their share of academic awards and scholarships. Nothing sensational nor far-reaching events of Nisei consequence occurred but our sagacious fathers on Parliament Hill announced the removal of all restrictions from us come March 31. Oh beautiful world! and to top it, we can also eat margarine.

Our review would not be complete without making a few awards. As the Best Athlete of the Year, our accolade goes to Citation. Though we don't get around to see too many movies, the Worst Picture in our books was "The Babe Ruth Story", a portrayal of the former Yankee slugger as an hybrid between an eagle scout and a nature lover. The top choice, and most of you won't agree with us, is "The Treasure of the Sierra Madre."

Letter from Former Minister

Thanks Canada for Gifts

By IYEMASA TOKUGAWA

The author of this letter to Japanese Canadians spent five years in Canada as head of the Japanese legation at Ottawa. He was the first minister sent by Japan to Canada [illegible] and served from the end of 1929 to the end of 1934.

Now president of a private relief organization in Japan, he sends thanks to his friends in Canada for their relief contributions.

IT GIVES ME very much pleasure to be permitted to send a few words of greetings to my Japanese friends residing in Canada through the columns of The New Canadian.

It will be 13 years in January, 1949, since I left our legation in Ottawa. During my residence in Canada for over five years from the time I landed at Vancouver on my way to my new post about the end of October, 1929, I continued to enjoy, wherever I went, the unfailing hospitality of the Dominion and Provincial Governments and the people of Canada.

I travelled in the country as much as possible and had the pleasure of meeting Japanese residents at various places. I visited British Columbia—especially Vancouver and Victoria, a number of times, and was always accorded a welcome by the Japanese communities there.

It is no exaggeration to say that my sojourn of five years in Canada was altogether one of the most pleasant and memorable chapters of my life.

Not very long after these years full of happy memories, the whole world began to pass through vast changes. The terrific ordeal which Japan had to experience in the midst of these changes was most regrettable in itself, but may be regarded in the long run as a great lesson, however difficult, for the nation.

The splendid calmness and dignity with which the Japanese community in Canada met the most difficult situations in those days of extraordinary tension were viewed by all of us here with no little admiration.

We are also extremely grateful for the sympathy so generously extended by the Japanese community in Canada to those in Japan suffering from the lack of provisions for their living, in the form of gifts both in cash and in kind, which are being sent individually and through [illegible]. I for one who happen to be president of a private [illegible] welfare organization [illegible] called the National [illegible] Association, engaged [illegible] rendering care [illegible] those poor victims, [illegible] most sensitive [illegible] significance of such donations, and [illegible] gives me genuine [illegible] to express our deep [illegible] to the donors.

The future of Japan both internally and externally [illegible] adventures. All fundamental political, social, economic, cultural and moral structures of society was upset. Yet in spite of the many difficulties, the reconstruction of the country is visibly progressing step by step, thanks to the earnest support of the Allied nations as well as the untiring effort of the Japanese people themselves.

It may be reasonably hoped that sooner or later, the general international situation may be so improved as to make possible the conclusion of a peace treaty with Japan and the resumption of Japan's normal diplomatic relationships with other countries.

When that time comes, or indeed even now, when that eventually is anticipated, we in Japan who have lived in Canada, who know Canada and feel greatly attached to that country, are anxious to do our utmost to restore the friendly relations between the two countries.

I myself confidently hope that the "Canada Association" inaugurated in Tokyo some time ago will be found greatly beneficial to the realization of that goal.

I avail myself on this occasion to send to all my friends in Canada my warmest Christmas and New Year's greetings and my hearty best wishes for their future happiness and prosperity.

Useful Citizens

St. Thomas Times Journal

A few days ago a group of young men were admitted to the Ontario bar at a ceremony in Toronto. Among them was Lucien C. Kurata. Mr. Kurata, who was born in Toronto, had previously graduated in metallurgical engineering at the University of Toronto. He chose to study law, however, and no doubt his knowledge of engineering will be a useful addition. His father is zoologist at the Royal Ontario Museum, and has been associated with the University of Toronto for 35 years.

Highest honors at the Forest Hill Collegiate last month were won by Arnold Arai. He won the E. J. Tamblyn Memorial award for the boy who, in the opinion of the staff and students, has been the most outstanding in leadership, service to the school, sportsmanship and academic record. He also won a Dominion-Provincial scholarship, and is now attending the University of Toronto. To earn his way along he does housework and baby-sits.

Winner of the top Carter scholarship at McMaster University for Wentworth county students, was Miss Michiko Ishii. Third scholarship went to Roy Nishikawa. Both were expelled from British Columbia during the war.

There can be no doubt that all these young Japanese will be useful and loyal citizens of the Dominion.

Our nature is inseparable from desires, and the very word desire — the craving for something not possessed — implies that our present felicity is not complete.
— Thomas Hobbes.

Your Legal Problems

The most efficient plan when buying or selling a house or vacant land is to list it with a Real Estate firm or agent, well known and respected in the community. This plan has many advantages over dealing personally with a buyer or seller. In the first place, the agent is a technician at his job, and knows how to guide a sale or purchase to completion in the best interests of both parties. Secondly, moneys paid to him as a deposit are paid into a trust account at the Bank. Thirdly, he has set fees, which cannot be exceeded, for the services which he renders, and lastly, Real Estate Brokers are regulated in most cases, by Provincial Law, and have a definite standard of business conduct to maintain.

In the case of personal dealings, your buyer or seller may be an unreliable man who knows nothing about the laws governing Real Property, or whose conduct is governed only by the Criminal Code. Should a deposit be kept and spent by the seller, it is of little comfort to the purchaser to have him sent to jail, for he has lost his deposit and has no possible means of recovering it.

Count Bernadotte

November, 1948

He walked with men who sought his lead;
He fought with fear, with strife, with greed;

He talked with men who needed guide
But in this cause his law denied.

Unlost in deed he spent his days;
Unlost in purpose he gained light praise.

He suffered death, the man-made mess
In Palestine create distress

He measured pain when blood was spilled,
When youth lay dead, half spent, half filled.

Pressed by the war of awful feud
He risked the Sternists bitter mood,

And looked beyond the terror stage
Feeling the temper of their rage,

Selecting terms the Arabs made—
Drawing demands the Israelites laid—

Marking the minutes to balance restore
While fever of unrest grew more and more.

Count Bernadotte, bound with his plans to mediate
Set foot on the scene of ancient war

And in that land was swiftly slain
By savage sons of Israel.

His aim dwelt not in wealth of power of fame of history,
But rather in the name of duty

To serve man best.
His mission appeals

While the murderous feud wages on,
But the symbol of his human vision

Moves the soul of the war-weary world
To seek for the reach
Of peace.

星は見てゐた

藤澤桓夫

［第八回］

競馬場の中

彼は競馬場をのぞいて見ることにきめた。道端で賣つてゐるその日の出馬豫想表を一枚買ひ、すぐ近くに見える競馬場に向つた。

大變な人出だつた。

彼が入場して暫くすると、第一レースのアラブの千二百メートルがはじまつた。

走る馬の姿はやはり美しかつた。競馬用に育てられた四歳の若馬たちのすらりとした胴體は見[illegible]美しかつた。

一段拔けた實力のあるらしい四番のトキミと言ふ本命馬が、第四角から追ひこんで樂々と勝ち、第一レースは終つた。

人々はスタンドから馬見所の方へ引き上げて行つた。

次のレースはサラブレッドの千六百メートルのレースだつた。

そのレースに出場する九頭の四歳馬は、圓形の馬見所のなかを馬丁に手綱をとられて、ゆつくりと歩いてゐた。鼻音して時どき跳ね上つてゐる馬もあつた。

八十二の視線はいつか一番の鹿毛の牡馬に惹きつけられて行つた。─彼は別に馬相が鑑くわかるわけでもない。しかし、二年も馬たちと一緒に暮らして、彼らのその日その日の身體の調子の良否や氣分のよしわるしぐらゐは大體わかつた。

さう言ふ彼の眼から見て、その一番のウイングといふ馬は實によく出來てゐた。少しうつむき加減に首を前へ伸ばし氣味に、ゆつくりと歩んでゐるその後肢の踏みこみの深さ。時[illegible]くの外の觀衆たちの方をちらりと見る瞳の色のすずしく澄み切つた明るさ。ぬれた紙でもはりつけたやうに薄く緊張した光澤のある白皙の表面に生き生きとうかび上つてゐる血管のたくましさ。堂々とした馬格。

八十二には、いくら見直しても、その九頭のなかで、一番のウイングほど輕快な氣分の感じられる馬はないやうだつた。

「自分が[illegible]馬券を買ふなら、この馬だな」と彼は思つた。

豫想表の裏の成績表を調べてみると、ウイングは二日目のやはり千六百メートルの六頭立てのレースで四着に來てゐる。六頭立ての尻から三番目だ。今日は[illegible]人氣がないらしく、豫想表にも全然注意されてゐない。

しかし、成績表をよく見れば、その四着は「八、頸、四馬身」の四着であつて、一着馬が三頭あつたに等しく、さう考へればウイングは二着に來[illegible]に言へる。[illegible]差は僅かに四馬身だ。スタートさへうまく出たらそれくらゐの差は消せるのではないか。それに競走馬は一度レースに叩かれた方がずつとよく走るやうになると聞いてゐるし、今日のウイングは一番で、インサイドの一番有利なコースでスタート出來るわけだ。

「よし」折角競馬場へはいつたのだし、一つ自分の勘が當るかどうか、ウイングの單を試みに二三枚買つてみよう」と八十二は心にきめた。青年らしい冒險心もむくむくと湧いて來た。

彼は穴場の方へ歩き出した。

晩香坡日本共立語學校の新校舎

晩香坡日本共立語學校維持會評議員會は去る十一月トロント市で開催され、井手律、中澤弘、佐藤傳の三氏により大體左の如き經過並に會計の報告があつた。

(一)校舎は一九四七年八月迄國防省にレントで貸してこと(二)ガストデアンは之を賣却しなかつたこと(三)舊校舎は一九四七年八月四千七百五十弗で賣却されたこと(四)新校舎は一九四七年十月ミュアー・アンド・カービー百貨店に百五十弗でレントしてあること(五)右レントが一九四八年十月までに千八百八十五弗入つたこと(學校の維持費はレントに賴つて毎年千弗位は餘ること)(六)新舊兩校舎の復舊賠償金として國防省より二千百弗の支拂を受けたこと(七)校具使用料並に賠償金として勞働者より四百弗の支拂を受けたこと(八)ホール用イスの一部並に校具の一部を賣却して六百四十弗を得たこと(九)戰時中國防省より受けたレントより税金、保險金その他の雜費を支出、たゞ殘り二千五百四十八弗をカストデアンより拂戻しを受けたこと(十)この他繰越金六百七十九弗、税金戻り、公債貯蓄預金利子等を加へて收入合計は一万四千四百四十一弗に上つた(十一)支出の方は先づ主な[illegible]は税金六百七十[illegible]弗、代言手數料六百八十弗、井手、佐藤兩氏出晩旅費、滯在費七百六十弗、保險料二百六十五弗、舊校舎賣却手數料二百一十七弗、エジエントの手數料八十一弗、校舎修繕費二十二弗等計金二千七百二十七弗である(十二)更に校具、家具等の紛失、盗難、不當賣却等による損害賠償を要求して置いたこと(十三)そのためのコート・ヒヤリングがレスブリッヂに於て開かれないで佐藤氏がこれに出席、要求の内容を陳述した。(十三)以上は幹部による井手、中澤、佐久間、信岡、佐藤の五氏が常に協議の上決定しその實行は井手、佐藤兩氏が出晩、マクリナン辯護士の手を經て處理したこと

右報告に對し役員會は之を承認し更に今後新校舎を如何に處理するかについて協議したが

▲戰前の如く晩市に集團的定住を望まれない今日、校舎はこの際賣却した方がよいとの賣却意見

▲晩市における同胞唯一の公共財産たる建物而も維持費に困難を感じない今日、之を賣却する必要を認めない。將來のために保存して置きたいという保存意見

▲同胞に關する移動制限令撤廢の迫つてゐる今日、早急に賣却しなくとも今暫く靜觀して如何という靜觀意見

等あり[illegible]決定は當分保留[illegible]更[illegible]協議を[illegible]となつた。尚佐藤氏夫妻永年の教育的盡瘁及び維持會幹事としての奉仕並に移動以來學校問題處理についての努力に對して謝禮乃至は慰勞金を贈ること並に井手氏の犠牲的奉仕に對しても謝意を表すること等も協議するところがあつた。當日の出席者は井手律、中澤義雄、信岡良太郎、信夫三郎、上野律一、佐々木周一、木下粂一、藤原巳計、川尻岩一、坂本忠義、佐藤傳、母姉會代表(松居靜枝、前川てつ)尚佐久間太重氏は健康上出席しなかつたがその意見を文書によつて提出するところがあつた。

社説

「被保護者」から「自由人」へ

新しき年一九四九年は日系カナダ人にとつて「戦時中」という理由で課せられていた諸制束の最後のものが取除かれて、全く「自由なる市民」となることを約束する年である。それは私たちが戦時中の「被保護者」として制束する代りに最低の生活だけは政府が保障するという一種の[illegible]の例をさらに成人と同じという立場から、全く解放され、中等の取扱いを受ける自由人――と共に自由に附きまとう責任や、自発的な行動、責務が負わされるということを意味するのである。

「戦時中」「若し日本が負けたら在加の日本人は仕人になり下つてしまう」とか、ゴーストタウンの生活は政府が「意識的に吾々を土人化」しようとしているとまで憂えているものがあることを想起する。もしれぬが、今日まで言われ[illegible]政府の[illegible]事業・範囲内に於て最大限度[illegible]責務[illegible]

今後は、解明自な意識をもち、問題と共に、私たちの多くが経験した戦時中から持ち越された諸難を伴うものの自由人として行動し、戦つた東部への再定住以上に困難な問題の解決に当ると共に、多くの新しい問題と取組み自から長として、政府の補助を[illegible]、再定住の[illegible]延ばしても[illegible]この努力によつてこれを解決し、一般的には、特に生活の上から行く、必要を実現しようとする向きにとつての[illegible]は望ましくないことと思われる。

×

来る四月一日には、日系人に対する制束のうち最も重要な[illegible]ブリテイシユ州沿岸への[illegible]が撤廃されるが、三世の結婚は、最近ニユーカナデアン人事消息を見ても判る通り、急に増加して来た。此の傾向は更に著しくなるであろう。東部に於ては二世の雑婚もボツボツ現れることになるであろう。自由禁止や漁業ライセンス発給禁止等も愈々取除かれる機會に沿岸へ帰って行く者は二世の[illegible]その地に居住しようとする者もあるであろう。それは数年内に結婚増加による二世が経済的に独立して行く事實を反映するものである。そこには一世と二世との家庭関係、経済関係その他多くの問題が横たわつている。

東部に於ける日系人が一世を代りに總ては自然になされなければならない以上、それは考える者が大都市に集中する傾向を見る[illegible]もあるが、依然として見られることも依然として見られる。それに伴う「日本人」の問題はセンス獲得も、實際上の問題「社會」の活動というものも癒されないでいるが、設的な提議を試みる簡明平易なるものの方がよいと思う。

以上は、新しき年に於ける日系カナダ人の動きに関する数個の豫想と、それに對する私たちの意見の一端を述べてみた。私達はそれを[illegible]、この問題に就いて折にふれ論究して行きたいと思うが、それと共に、これらの多くの問題に對する大衆的な研究――その方法としてニユーカナデアンを通しての紙上研究を読者諸氏に[illegible]、論文[illegible]イエスかノーかの建設的な提議を試みる簡明平易なるものの方がよいと思う。

[illegible]患者に對する生命保険の掛金、再び[illegible]洋人に對する[illegible]。この保険の[illegible]料、差別に就いて既に市協が[illegible]問題を取上げたが、根本的な問題として、何故に結核患者が多いかの原因を[illegible]定住された者が多く[illegible]

カナダの日本人同胞諸君に呈す

東京において　徳川家正

筆者は初代駐カナダ公使、トルコ大使を最後に外交の現役から退いて後は、家達公(十六代)のあとを継いで社會事業に專心し、戰爭中平和主義者として知られてゐた。貴族院議長としては最後の人で、參議院と改めた新憲法實施と共に政界から引退。目下同胞援護會々長として難民救濟の重職を負つて、日夜努力を捧はれてゐる。(東京都澁谷區代々木大山町一〇六四番地)

カナダ在留の同胞諸君に對し、ニューカナディアンの紙上を通じて、一言御挨拶を申し述べる機會を與へられたことを、この上なく欣快に存じます。

顧みれば、私がオタワの公使館を去つてから四九年の一月で滿十三年になります。一九二九年十月の末に近く東京から赴任の途次、晩香坡に上陸してから五年餘の間、公私共にカナダ官民より常に一方ならぬ厚誼を受け、又出來るだけ諸方を旅行して、各地で在住日本人諸君に接し、殊に晩香坡、ヴイクトリア其他ビーシー州にはたび／＼參り、いつも皆さんから厚い歡迎を受け、皆さんと色々御相談を致し、又時には遠慮のない意見を述べて或はお氣にさわつたこと…知…ませんが、何といつても私にとつてカナダ五年余の滯在は最も愉快な且實に忘れ難い經驗であります。

爾來、世界はすべての方面で、實に大きな變化を遂げ、日本の經驗した異常の苦難は實にそれ自体大なる遺憾であると同時に、又偉大なる教訓であつたともいへませう。

此の間、まことに並々ならぬ期機に際して、カナダ在留日本人諸君が、克く當面の難局に處していつも冷靜に、立派な態度を保持して居られた事は私どもの深く敬服してゐる所であります。

又戰後遠く日本内地に在る同胞生活の窮乏、苦痛に同情され、個人的に或は團体的に引きつゞき多額の金品を寄せて援護の資とせられつゝあることは、全國民の深く感謝して已まざる所であつて、私は現に恩賜財團同胞援護會という私設の、而も全國的な團体の會長を勤め、廣くこれ等生活困窮者の援護に日夜努力をつゞけてゐるために、殊更諸君の御厚意にお答へすることを特に嬉しく思う次第であります。

日本の前途は、國内的にも對外的にも實に容易なことではありません。政治上、社會上、經濟、文化、道義の殆んど全機構は根本的に覆へされて居ります。然し今や日本各方面の復興は幾多の困難に拘らず、國民の最善の努力と連合國興隆の援助とにより、ともかくも漸次その歩をすゝめつゝあるのは事實であります

又一般國際情勢が、そのうちには講和條約の締結及び日本の正常外交關係の復歸を可能とする氣運に向うでありましよう。

その上は、否今からでもその時にそなへて、私共日本に在つて、かつてカナダに住みカナダを知りカナダを愛する者は、界つて日加親善の復活のために專心努力したい希望に滿ちており、先般東京に於て「カナダ協會」の成立したことは日本とカナダとに在る同胞相互の連絡の上には勿論、將來兩國の善隣關係再建のためにも、まことに喜ばしい事と思ひ、心からその前途を祝福してゐる次第であります。

私はこの機會に於て、カナダ在住同胞諸君に對し、歳末と年始のお祝を述べ、衷心、その幸福と發展とを祈りたいと存じます(終)

Two Big Upsets In Toronto Cage Scene

Bombers Stop Thinmen's Streak; Aces Surprise by Downing Rebels

By T. F.

TORONTO —The commencement of the Toronto Nisei Basketball League's second half schedule on Dec. 17 produced a startling double upset as the lowly Aces burgeoned the handsome Rebels with a thumping 47-41 victory, and the Bombers, not to be outdone, followed by smashing the mighty Mustangs' long victory skein by handing them a tight 47-46 setback.

Such phenomena don't happen twice in the same night it is exclaimed but happen it did and its unbelievable results had the audience groggy with wonder.

The fabulous thin men's long undefeated string of 18 league games over a season and a half was finally broken, and it took the Bombers to do it. Bombers are really flying now. They've opened their hatchway and their destructive explosives are pouring out. It was their third victory in a row and coupled with the Rebels' defeat at the hands of Aces they hoisted themselves into sole possession of second place only two games behind the league leading Mustangs.

This time, it was the Mustangs who had to do the pursuing. Bombers took a commanding lead and for the first time this season the thin men went into a hard chase to keep pace with the champions. The Miyasaki boys succeeded in breaking down an eight point deficit to finish the first half with a 24-23 lead. But the Bombers again shot into the lead and they stayed ahead a basket at a time.

Bombers' triumph over Mustangs is a mild thing to get excited over, even though it is an upset, for after all Bombers are champs. But in the first game when those indigent Aces, considered hopeless and not-in-the-game-class, whipped the highly regarded Rebels it was beyond getting excited over. It was a shocking breach-of-law. For they weren't supposed to win at all. And Aces achieved this by no means of a fluke. Instead of being the ones to be pushed around this time, it was a complete reverse. It was Aces who outshot and outplayed the Rebels. Right from the opening whistle they went into the lead and were never headed. At one time they led by more than a dozen points. Rebels closed in near the finish but Aces had the game well in hand and finished the game their first victory of the season — with a whooping salute.

effort. Only Herby Miyasaki did any amount of scoring in the first half by hook-shooting his way at will. But the fighting Aces, who never call it quits, came so close to overtaking the league leaders that it gave them some moments of sweating fits. At two minutes of the end of the game Aces were only four points behind.

Mustangs: Herby Miyasaki 19, Alan Fujiwara 11, Mucka Makimoto 6, Yuki Kameoka 6, Ken Miyasaki 4, Aki Koyanagi 3, Roy Miyasaki 2.

Aces: Seiji Takata 8, Geo. Takata 8, Akio Hayashi 8, Jackson Onishi 6, Tom Miyashit 6, Ken Ohara 4, Fred Miyasaki 2, Herby Morita, Jim Kamino.

Cuff Notes: Bombers are out of their slump so take cognizance. This writer is willing to bet that Bombers will beat Mustangs in the next game. One of the main reasons is that Jeep Inamoto has begun to find his range. Also Hank Ashikawa is livelier than ever now. Sockeye Tsukamoto rivals Paul Hirano as the fastest player in the league. He has the best running one-handed shot. The Mitsui brothers are hard fighters. And Joe Akiyama and Idy Idenoye constitute the best pair of guardsmen in the loop .... Tiny Soc Shintani is finding it advantageous to play with Bombers. His clever mates' method of screening him is giving him every opportunity to score. In the last two games he has chalked up 27 points .... Could it be that the Mustangs' extra activities in the Church league are slowing them down? They certainly looked tired against Aces .... Herby Miyasaki did what Paul Hirano had done last season when he scored against his own team. Geo. Takata being nearest Herby at the time was credited with the basket .... Baseball pitcher Ken Ohara made his debut as a cager by joining the Aces. Quite unsteady in his first game, he nevertheless shows evidence as a comer .... Aces seem to be improving.

The practices of good men are more subject to error than their speculations. I will, then, honor good examples, but endeavour to live according to good precepts.

Bombers in Convincing Win Over Rebels; May Sink Mustangs—T.F.

TORONTO Coming back to life, defending champion Bombers scored their first major victory of the season as they trounced the strapping Rebels 56-44 on Friday, Dec. 10, as the Toronto Nisei Basketball league ended its first half of league play.

It was Bombers all the way, and though Rebels led at the end of the first half 22-21, Bombers dominated all plays and eventually stretched away in the second half for a convincing victory.

Nimble Paul Hirano became the first player to hit the twenties mark this season as he led the losers' offense with 20 points. The sockfull of Bombers led the champs' artillery as tiny Soc Shintani and Sockeye Tsukamoto paced the way with 15 and 10 points respectively. Bombers realizing the sharp-eyed sniping ability of Shintani used him to full advantage by screening him expertly time and time again to allow him to shoot with ample space.

Bombers: Soc Shintani 15, Sock Tsukamoto 10, Ken Mitsui 7, Jeep Inamoto 7, Shige Ashikawa 9, Joe Akiyama 5, Idy Idenoye 3, Mossy Mitsui.

Rebels: Paul Hirano 20, Kiyoshi Maikawa 6, Hidy Ioi 6, Tom Nobuoka 4, Jimmy Maikawa 4, Mush Fukumoto 2, Roy Kurita 2, Mossy Fukumoto.

ACES-MUSTANGS

In the second game, the fleet-footed Aces came up with their best showing since the season's first game by extending the powerful Mustangs to a 51-42 victory.

The thin men took it easy and limited their pressing to a slight

ROVERS ON TOP AS ALL TEAMS SEE ACTION

TORONTO — It's a far cry from the time a dozen or so ardent Nisei puck chasers battled each other on a pick-up team at the Victoria College outdoor rink four years ago to the opening game of the TNHL at the Varsity Arena, one of the Queen City's larger arenas, on December 18th. Yet the very same group forms the nucleus of the seven-team TNHL which was formed last season with the addition of new players from the ghost towns.

These originals were Buzz and Chipso Ogaki, Kiyo Tamura, Tak Hayashida, Ed and Sam Kamo, Doug. and Bill Fujimoto, Yuki Kameoka, Ken Ohara, Fred and Rich Miyasaki. And still active are Buzz Ogaki, manager of the Rockets; Kiyo Tamura, first prexy of the TNHL, present captain of the Rockets; Chipso Ogaki who is trying a comeback; Yuki Kameoka, who has blossomed out as one of the most capable players of them all, is captain of the Rovers, with the Miyasaki brothers and Ken Ohara on the same team.

On its second birthday, the league set-up remains the same, with Rovers, winners of the Matt Matsui Trophy last season, St. FX., Homestead Restaurant, TNT, Bums, Rockets and Danforth Cleaners again in the running. But the number of players allowed each team has been increased to 18.

The opening game saw the Young Rovers who graduated into Rovers this year carry on their win streak from last season when they badly mauled the strong St. FX entry 6-1. It was a surprise to all since the Catholicmen were expected to put up a stiff argument since they acquired a potentially strong "kid" third line.

For the spectators, the game had everything—plenty of speed; hard checking; the first free-for-all with both sides having two men banished by guest referees Topping and Moat of the THL. Rovers played a brilliant game, making hardly any mistakes, with playing-coach Jeep Inamoto doing a skillful masterminding job. The fast-skating St. FX skated miles but could not get past the strong defense thrown up by the Rovers. Ronnie Tsuji, rookie goalie for St. FX, seemed to suffer from opening night jitters in the first half when he let in two easy shots. He regained his form in the second half to hold off the point-hungry Rovers who made repeated raids on his net when the Catholicmen's defense evaporated. Bob Ohashi had a comparatively easy time at the other end of the ice as his defense put up a stone wall and the only goal scored against him came from a scramble and a shot he couldn't have seen.

This game saw the most penalties handed out in any TNHL game with nine in all, six going to Rovers.

Six minutes from the opening, Rovers, who were pressing all the time, drew first blood when Fred Kinoshita scored on an assist from brother Sat. Less than two minutes later Jeep Inamoto, not particularly noted for his speed, stickhandled through to score the second goal unassisted. The tempo of the game had become fast and furious by this time with St. FX fighting madly to even the score and at the 15 minute mark the game blew up with a terrific explosion when fiery Terry Hatanaka, Rover defenseman, and Danny Hashimoto grappled each other and in a split second the ice was filled with flailing arms and legs. By the time the referees had torn the players apart they both had majors, with Sakura, St. FX, and Masa Kawaguchi, Rovers, joining them in the sin box. The funny part was that Kawaguchi who was innocent sat out the penalty in place of a guilty teammate. Herby Miyasaki took this opportunity to put his team three up when he beat the goalie unassisted.

The Catholicmen's only goal came in the second half when the Kid line's Frank Ueda scored on a pass from Kaz Ishii during a scramble in front of the Rover net.

TNT defeated Danforth Cleaners 2-1 in the second game which was not nearly as exciting as the first game.

Danforth seemed to be short handed and [illegible] coach Mas Kitaguchi out [illegible] the first time this season in defense. The move paid off as he was instrumental in making the play which resulted in the only goal scored by the Cleanermen. Johnny Iric was the whole show for TNT with one goal and two assists for a total of three points which gives him the lead in the scoring race. The players did not take advantage of the large ice surface of the arena and tended to bunch up and spoil any chance for clean passing plays that could have been tried.

Secretary Onizuka kept the score and manipulated the time lights till early in the morning game around 3 a.m. when he had to leave to go to work a few hours later.

The remaining three teams in the league will get into action on Dec. 30th, with Rockets meeting Bums at 11:15 p.m. and Homestead and Rovers following at 12:15 a.m.

Rovers Undefeated

TORONTO. — With the two games played at Varsity Arena on Dec. 30, all 7 teams of the TNHL have seen action and the first League Standing released shows the Rovers in first place with 2 wins in two starts. TNT and Bums are tied for second place with one win out of one played. Rockets, Danforth Cleaners and St. FX are tied for last place with no wins in one game played.

In the first game of Dec. 30, Bums smothered Rockets 7-2 as captain Maw Mori personally accounted for three goals. Akira Takahashi in the Rockets' net held the score down by his fine work as the rather [illegible] Rockets' defense let in the marauding Bums time and again.

Besides Mori, Herby Morita scored two goals and Kaz Kuroda two assists for Bums. Roy Sora and Ed. Hisaki scored the two goals for Rockets.

In the second game, Rovers showed once again that they are the team to beat [illegible] rode roughshod over [illegible] what mesmerized [illegible] Restaurant 6-1.

Herby Miyasaki, one of the three top performers [illegible] scoring with two goals [illegible] assists. Also for Rovers [illegible] Toyota had a goal and [illegible] and Ken Ohara two assists. [illegible] Mori scored on a pass from [illegible] Nakamura in one of the [illegible] best plays of the night [illegible] the Cafemen from a shutout.

On Jan. 8th at the [illegible] Arena, St. FX, Danforth [illegible] ers and Rockets will all [illegible] time for their first win. St. [illegible] takes on TNT while [illegible] [illegible] will play each other.

Nisei In Midget Loop

A determined band [illegible] set-aged (under 17 as of [illegible] 1948) youngsters, the Nisei [illegible] ers, opened their campaign [illegible] the THL against their [illegible] bigger opponents, Don [illegible] Caulking, on New Year's Day [illegible] the Richmond Hill Arena, los[illegible] 3-1. Jim Nasu, well-known [illegible] local hockey circles, is acting coach-manager and doing a good job. The next game will be against Dovers at the Royals Arena on Jan. 7th at 6 p.m.

Form Two-Team Hockey League At Lakehead

FORT WILLIAM, Ont. — Not content with scrub hockey which they have been playing for the last two years, this season the Nisei hockey players of this lakehead city have formed the Fort William Nisei Hockey League.

Paul Oda was elected chairman of the league, with Kenny Iwasa as treasurer and Johnny Umakoshi as secretary.

The two teams in the league for this season will play every Sunday. The players are: for Flying Forts: Paul Oda, Wally Iwamoto, Tom Kanna, Eugene Ichikawa, Kenny Iwasa, Marchie Taniwa, Kenji Tsubuochi, Tak Hirashima; for Lakehead Clippers: Sam Mitsunaga, Isa Sunohara, Harry Tateishi, Yosh Tatebe, Yuke Tatebe, Suzie Kitagawa, George Iwasa, Tony Ichikawa, George Abe.

RANDOM SHOTS

Looking over the first game of the season, old-timers like Harry Tateishi and Isa Sunohara of Clippers and Wally Iwamoto and Kenny Iwasa of Forts, looked a little rusty but should be in the groove after several games.

It's good to see the school kids out this year taking part and helping the club—Yosh Tatebe, Tony Ichikawa and George Abe of Clippers, and Eugene Ichikawa and Kenny Tsubuochi of Forts. With time the top kid-me of '48 should develop from that group.

Two good players, Haruo Fukokum and Sam Tokawa, have left for Toronto, but their places have been filled by new arrivals, Tom Kanna and Marchie Taniwa.

Forts Win Opener; Ichikawa Bags Two

FORT WILLIAM, ONT.—The first league game of the FW Nisei Hockey Club was a great success with the two teams, Lakehead Clippers and Flying Forts, playing at their best. Flying Forts, slightly faster on the ice, won 5-3 over the hard-fighting Clippers.

Youngster Eugene Ichikawa scored two goals for Forts. Captain Yosh Tatebe, a goal and assist, and Tony Ichikawa, two assists were the top scorers fro Clippers.

Paul "Turk" Oda did a wonderful job in the Flying Forts' net. Tom Kanna was chosen team captain of Forts and Yosh Tatebe for Clippers.

Athletes Win As Cage Season Starts in Vernon

VERNON — The Vernon Nisei Basketball League held its initial meeting on Nov. 13. The following were elected to the executive for the coming season: Junge Kawaguchi, chairman; Geo. Sasaki, secretary; Yoshio Ouchi, treasurer; Nobby Hayashi, social chairman. It was decided that the advisory committee consist of last year's executive. Due to the decrease of players, the league was condensed this year into three balanced teams. The three teams are, Athletes (South Vernon), Raiders (B.X. District), and Thunderbirds (Coldstream). Two all-star teams were chosen to play outside teams.

On Dec. 12, the VNBL sponsored a movie-nite to raise funds. As expected, a sell-out crowd attended.

On Dec. 16, the first league game got under way with the Athletes garnering their initial win by trouncing the luckless Raiders 45-23. This game was unusual in the fact that each team fielded only four men, due to some of the players being unable to turn out. The game, however, could not be judged by the one-sided score, for the Raiders put up a stiff battle. Their loss was due to faulty shooting around the basket, whereas the Athletes picked up two points on almost every shot whether from in the bucket or from outside the keyhole. The two Kawaguchi brothers, Junge and Kaya, were especially outstanding as they potted 20 points each to lead the Athletes. For the losers, Sam Yamasaki, who played a good game at guard, and Sid Teraguchi led with ten points each.

Athletes: J. Kawaguchi 20, K. Kawaguchi 20, Y. Ouchi 5, K. Sakakibara 45.

Raiders: G. Nishihata 2, S. Teraguchi 10, S. Yamasaki 10, C. Kaneda 1, 23.
